SOURCE INFORMATION

The best scale for this map is 1:100,000. It is not to be used for land planning or surveying purposes.

Notice: This map is not intended as a legal depiction of public or private land boundaries.

Since 1994, the US Forest Service Map and Information Center has updated the data for this map. The data was collected by the US Forest Service and other agencies during 1996-1998.

Map symbols, including conservation easements, do not imply public access in any form.

Local government may vary on the map.

For questions about this data, contact: Lee Deaderick, 470 S. 9th Ave., Suite 200, Phoenix, AZ 85004, (602) 567-1155.
