Notice: This map is not intended as a legal depiction of public or private land boundaries.

Map techniques, including conservation easements, do not imply public access in any detail.

Map legend may appear on the map.

This land management system includes land that is not managed by the US Forest Service, US Fish and Wildlife Service, US National Park Service, or the Bureau of Land Management, and may contain errors in boundary locations and/or coding. The Map features, including conservation easements, do not imply private land boundaries.

This map displays land information contained in a statewide geographic information system maintained by the State of Montana Department of Natural Resources and Conservation, and subsequently digitized and loaded into the Montana Natural Heritage Program.

Public Lands:
- US Bureau of Land Management
- US Forest Service
- US Fish and Wildlife Service
- US National Park Service
