PLEASE READ
- Land management boundaries shown on this map do not reflect actual ownership/management boundaries and are shown for planning purposes.
- Reservoirs shown on this map are approximate and may vary.
- Public access to any lands. These edits are based on data from Montana Fish, Wildlife & Parks areas, US Fish & Wildlife Service areas, US Forest Service areas, and conservation easements. These edits are based on data from the Montana Fish, Wildlife & Parks areas, US Fish & Wildlife Service areas, and conservation easements. Public access to any lands.

SOURCE INFORMATION
- This map displays land ownership data from the Bureau of Land Management and the US Forest Service.
- Most of the public lands information was originally digitized by the Montana Fish, Wildlife & Parks Department. Additional information was taken from the National Hydrography Dataset and the National Land Cover Database.
- The data used for this map was provided by the USGS 1:100,000 Scale Quads and was not used for any purpose related to the Federal Lands Digitization Project.

Scale 1:100,000
1 inch equals 1.5 miles
