NOTES:
Not all riparian areas are shown on this map. Features shown on this map do not necessarily provide access to any lands. The land status data displayed on this map may not be complete and may contain errors. Boundary locations are not guaranteed.

SOURCES ACKNOWLEDGEMENT:
The public land data is from the MT Natural Heritage Program land ownership data. The private land data was developed for the Montana Cadastral Database Project. These data are provided through a cooperative effort between the Montana Department of Natural Resources and Conservation (DNRC), the Montana Department of Fish, Wildlife & Parks (FWP), and the Montana Natural Resource Information System (MNRIS). Other data agencies, local governments, USBLM and private enterprise. Land ownership data is not shown for parcels that are not shown on the map. The DNRC maintains the GIS cadastral layer and the DNRC maintains the private ownership information.

Map produced September 2008 with ownership data current as of August 2008.

The private land data were developed for the Montana Cadastral Database Project. These data are provided through a cooperative effort between the Montana Department of Natural Resources and Conservation (DNRC), the Montana Department of Fish, Wildlife & Parks (FWP), and the Montana Natural Resource Information System (MNRIS). Other data agencies, local governments, USBLM and private enterprise. Land ownership data is not shown for parcels that are not shown on the map. The DNRC maintains the GIS cadastral layer and the DNRC maintains the private ownership information.

The basic data for the public ownership data is 1:100,000, though many of the recent topographic data is digitized from 1:24,000 scale maps or survey data. Private ownership data is accurate to scales of 1:24,000 or smaller.

Map produced September 2008 with ownership data current as of August 2008.

Parcel Num. Owner Name. Total Acres
