NOTES:
 Not all legend items may appear on this map.
 Features shown on this map do not imply public access to any lands.
 The land data is derived from the Montana Natural Resource Information System (NRIS) and may contain errors in boundary location and/or condition.
DISCLAIMERS:
 The Montana Heritage Program, MT State Library, MT Dept of Administration and MT Dept of Fish, Wildlife & Parks do not warrant or represent or make any representation or warranty whatsoever with respect to the accuracy or completeness of the data contained in these maps and assumes no responsibility for the usability of these data for a particular purpose. These agencies will not be liable for any damages incurred as a result of reliance on the ownership boundaries displayed on this map are not based on land survey data and are not suitable for property surveys. This map displays public and private land ownership information derived from several sources and continues to be corrected and updated.

SOURCES/ACKNOWLEDGEMENTS
 The private land data were developed for the Montana Cadastre Database Project. These data are provided through a cooperative effort between the Montana Department of Administration (DCA), the Montana Department of Fish, Wildlife & Parks (DWP), the Montana Department of Transportation (MDT), and the Montana Department of Lands (MDL). Other state agencies, local governments, USFS BLM and private enterprise. Land data depicted on this map represent single ownership of contiguous parcels that are at least 40 acres in size. The DCA maintains the GIS database layer and the DWP maintains the private ownership information.

The public land data is from the MT Natural Heritage Program and show ownership of the data contained in these maps and assumes no responsibility for the usability of these data for a particular purpose. These agencies will not be liable for any damages incurred as a result of reliance on the ownership boundaries displayed on this map are not based on land survey data and are not suitable for property surveys. This map displays public and private land ownership information derived from several sources and continues to be corrected and updated.

The base scale for the public ownership data is 1:100,000. Roughly many of the recent data incorporate data digitized from 1:25,000 scale maps. The base scale for the private ownership data is 1:24,000 or smaller. Map produced September 2008 with ownership data current as of August 2008.
