NOTES: Not all legend items may appear on the map. Private owners on this map do not have public access to any lands. The land status data displayed on this map may not be complete and may contain errors in boundary locations and/or shape. DISCLAIMER: The Montana Natural Heritage Program, MT State Library, MT Dept of Agriculture, and MT Dept of Forestry have reviewed the map for accuracy or completeness of the data contained in these maps and assumes no responsibility for the accuracy or completeness of the data contained in these maps for a particular purpose. These agencies will not be liable for any damages, consequential or otherwise, resulting from the use of the data contained in these maps. The ownership information displayed on this map is not based on land survey data and is not to be used for property purposes. This map displays public and private land ownership information derived from several sources and continues to be corrected and updated.

SOURCES / ACKNOWLEDGMENTS: This map was produced as a joint effort between the MT Dept of Fish, Wildlife, and Parks (FWP) and the Montana Natural Resource Information System (NRIS) of the Department of Administration (DOA). The Montana Department of Forestry (DOF), other state agencies, local governments, USGS BLM and private enterprises. Land parcels depicted on this map represent single ownership of contiguous parcels that are at least 40 acres in size. The DOA maintains the GIS cadastral layer and the DOF maintains the private ownership information. The base scale for the public ownership data is 1:100,000. Though many of the nonpublic parcels are smaller than 100 acres, the map scale is 1:250,000. Private ownership data is accurate to a scale of 1:250,000 or smaller. Map produced September 2005 with ownership data current as of August 2006.
