NOTES:
 Not all legend items may appear on this map.
 Features shown on this map do not imply public access to any lands.
 The land status date displayed on this map may not be complete and may contain errors in boundary location and/or coding.
DISCLAIMER:
 The MT Natural Heritage Program, MT State Library, MT Dept of Administration and MT Dept of Revenue make no representations or warranties whatsoever with respect to the accuracy or completeness of the data contained in these maps and assumes no responsibility for the usability of these maps for a particular purpose. These agencies will not be liable for any damages incurred as a result of errors displayed here. The ownership boundaries depicted on this map are not based on land survey data and are not a substitute for property surveys. This map displays public and private land ownership information derived from several sources and continues to be corrected and updated.

SOURCES / ACKNOWLEDGEMENTS
 This map was produced as a joint effort between the MT Dept of Fish, Wildlife and Parks (FWP) and the Montana Natural Resource Information System (NRIS) of the MT State Library, in response to Montana Code Annotated § 2-3-506, which directs the FWP to "... work cooperatively with all state and federal land management agencies... to develop accurate land ownership maps..." in the State.
 The public land data from the MT Natural Heritage Program and land ownership data collected. Much of this data was originally digitized by the Bureau of Land Management (BLM) from 1:100,000 scale BLM Database Management System maps that are at least 40 acres in size. The DDA maintains the GIS coordinate layer and the DDA maintains the private ownership information.
 The private land data were developed for the Montana Cadastral Database Project. These data are provided through incorporation with the Montana Department of Administration (DOA) and the Montana Department of Revenue (DOR), other state agencies, local governments, USOB BLM and private ownership. Land parcels on this map represent single ownership of contiguous parcels that are at least 40 acres in size. The DDA maintains the GIS coordinate layer and the DOA maintains the private ownership information.
 The base scale for the public ownership data is 1:100,000, though many of the recent data incorporate data digitized from 1:24,000 scale maps or survey data. Private ownership data is accurate to scales of 1:24,000 or smaller.
 Map produced August 2009 with ownership data current as of June 3, 2009.
