

Private Land Ownership Identification GREAT FALLS SOUTH - (47111a)

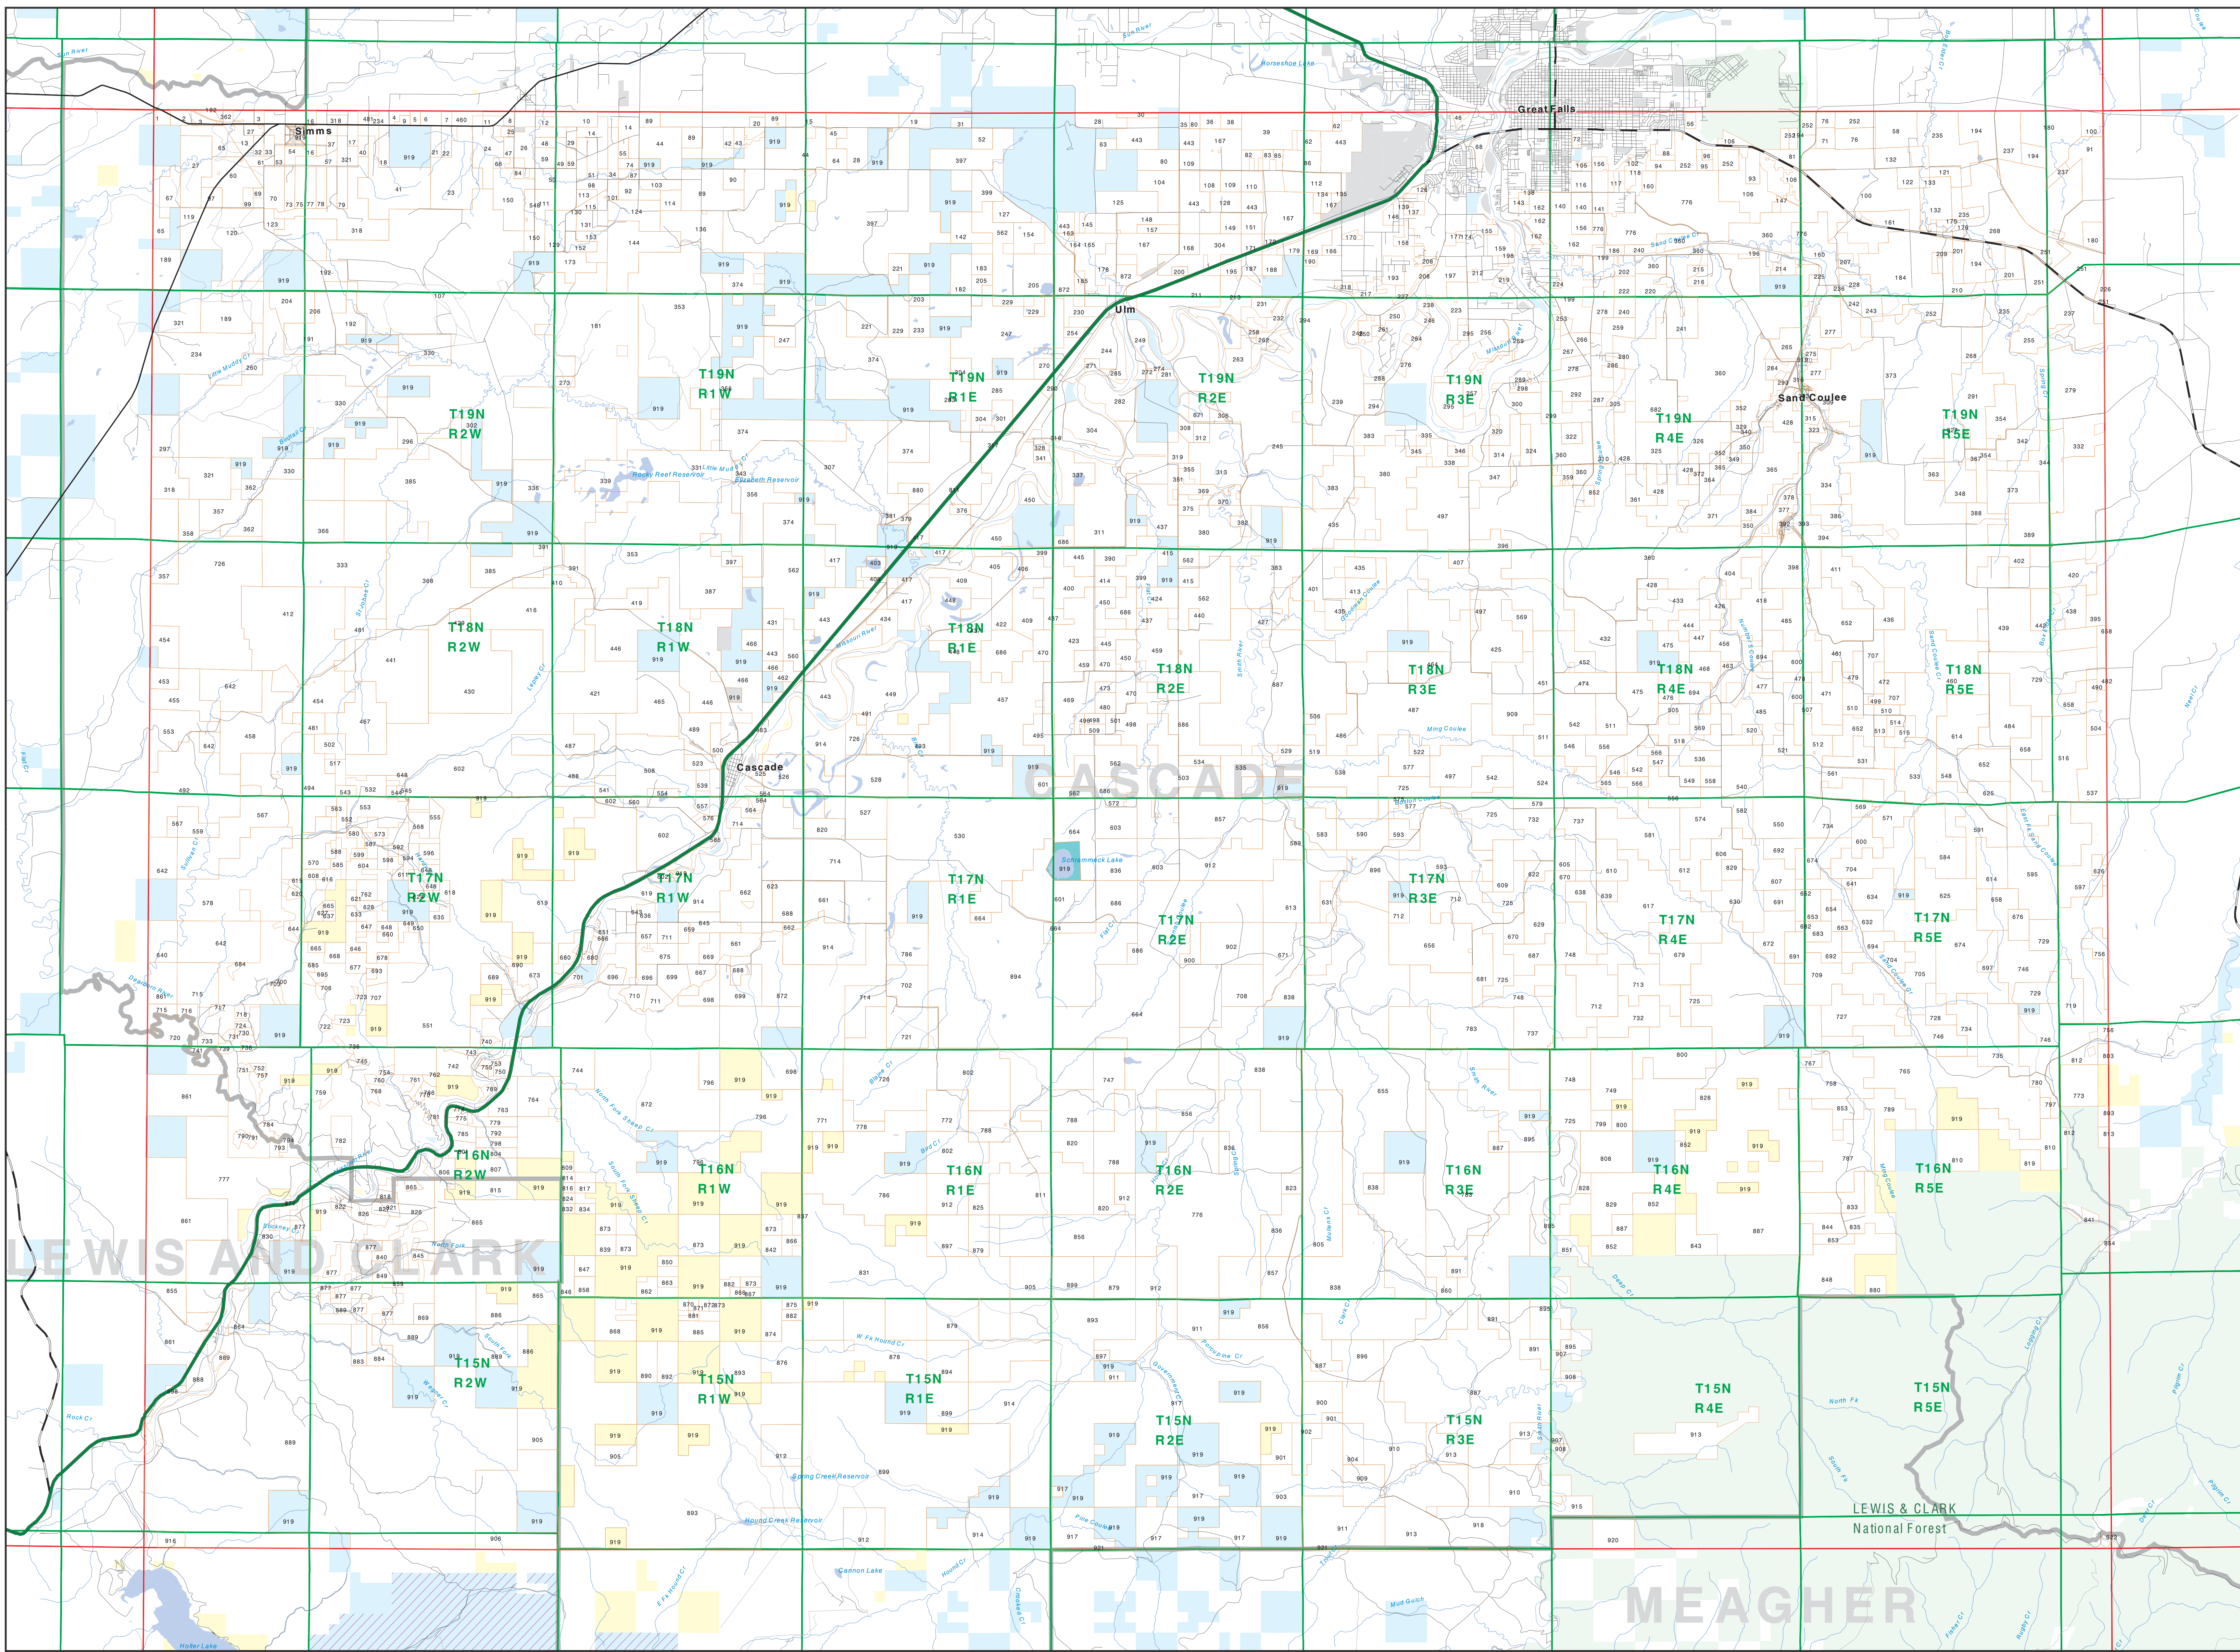

Table listing parcel/tract owner names and total acres. The table is organized in columns, with each column representing a different geographic area or township/range. Owners listed include individuals, corporations, and trusts. Total acreage is provided for each entry.

Legend and Acknowledgements section. Includes a legend for ownership types (Private, State Lands, Bureau of Land Management, National Park Service, Other Federal Land) and symbols for roads, rivers, and boundaries. Below the legend is the 'SOURCE & ACKNOWLEDGEMENTS' section, which credits the Montana Department of Fish, Wildlife & Parks and the Montana Department of Transportation for data used in the map.

USGS 100,000 Scale Quadrangle Index table. This table provides a grid of coordinates for the map area, with columns representing Easting (181000 to 182000) and rows representing Northing (4710000 to 4720000). The table is used to locate specific areas on the map.
