NOTES
 All registered lands may appear on this map. Private lands not on this map do not have public access to any lands. The map status data displayed on this map may not be complete and the user should verify the information with the appropriate agency.
 The Montana Department of Fish, Wildlife & Parks (MT DFWP) is a participating agency in the National Wetlands Inventory (NWI) program. The NWI program is a joint effort of the U.S. Fish and Wildlife Service (USFWS) and the U.S. Environmental Protection Agency (EPA). The NWI program is a national effort to identify and delineate wetlands on public and private lands. The NWI program is a critical component of the National Wetlands Inventory (NWI) program. The NWI program is a critical component of the National Wetlands Inventory (NWI) program. The NWI program is a critical component of the National Wetlands Inventory (NWI) program.

SOURCES/ACKNOWLEDGMENTS
 This map was produced as a joint effort between the MT DFWP, Fish, Wildlife & Parks and the Montana Natural Resource Information System (MNRIS) of the MT DFWP. The MNRIS is a joint effort of the U.S. Fish and Wildlife Service (USFWS) and the U.S. Environmental Protection Agency (EPA). The MNRIS is a critical component of the National Wetlands Inventory (NWI) program. The MNRIS is a critical component of the National Wetlands Inventory (NWI) program. The MNRIS is a critical component of the National Wetlands Inventory (NWI) program.

Map produced August 2009 with ownership data current as of June 3, 2009
