NOTES:
 Not beyond items may appear on this map.
 Features shown on this map do not imply public access to any lands.
 The land status data displayed on this map may not be complete and may contain errors in boundary locations and/or coding.
DISCLAIMER:
 The MT Natural Heritage Program, MT Fish Wildlife & Parks, MT Dept of Administration and MT Dept of Revenue make no representations or warranties whatsoever with respect to the accuracy or completeness of the information contained in these maps and assumes no responsibility for the suitability of these data for a particular purpose. These maps are provided as a service to the public and are not intended to be used for any legal or financial purposes. The user assumes all liability for any damages incurred as a result of errors displayed here. The ownership boundaries displayed on this map are not based on land survey data and are a substitute for property records.
 This map displays public and private land ownership information derived from several sources and continues to be corrected and updated.

SOURCES ACKNOWLEDGEMENTS
 This map was produced as a joint effort between the MT Dept of Fish, Wildlife & Parks (FWP) and the Montana Natural Resource Information System (MNRIS) of the MT Fish Wildlife & Parks. The map data was derived from the MT Fish Wildlife & Parks, MT Dept of Administration (DOA), the Montana Department of Revenue (DOR), other state agencies, local governments, USGS BLM and private enterprises. Land status data on this map represent ownership of contiguous parcels that are at least 40 acres in size. The DOA maintains the private ownership layer and the DOR maintains the public ownership information.
 The public land data from the MT Natural Heritage Program land ownership data collection. Much of this data was originally digitized by the Bureau of Land Management (BLM) and the Montana Natural Resource Information System (MNRIS). Additional information, corrections and updates (especially for state trust lands, Montana Fish, Wildlife & Parks areas, US Fish & Wildlife Service areas, and conservation easements). These areas were based on data supplied by the various public agencies and land trusts, and have not been verified against county or Montana Department of Revenue records.

The private land data were developed for the Montana Cattle Database Project. These data are provided through a cooperative effort between the Montana Department of Administration (DOA), the Montana Department of Revenue (DOR), other state agencies, local governments, USGS BLM and private enterprises. Land status data on this map represent ownership of contiguous parcels that are at least 40 acres in size. The DOA maintains the private ownership layer and the DOR maintains the public ownership information.
 The base data for the public ownership data is 1:100,000 scale maps or survey data. The recent data incorporate data digitized from 1:24,000 scale maps or survey data. Private ownership data is accurate to a scale of 1:24,000 or smaller.
 Map produced August 2009 with ownership data current as of June 3, 2009.
