NOTE:
Not all legend items may appear on this map.
Features shown on this map do not imply public access to any lands.
The land status data displayed on this map may not be complete and may contain errors in boundary location and/or coding.
DISCLAIMER:
The MT Natural Heritage Program, MT State Library, MT Dept. of Administration and MT Dept. of Revenue make no representations or warranties whatsoever with respect to the accuracy or completeness of the data contained in these maps or any information or materials derived therefrom. The user assumes all responsibility for the use of the data for any purpose. These agencies will not be liable for any damages incurred as a result of errors displayed here. The ownership boundaries displayed on this map are based on land survey data and are not a substitute for property surveys. This map displays public and private land ownership information derived from several sources and continues to be corrected and updated.

SOURCES / ACKNOWLEDGMENTS
This map was produced as a joint effort between the MT Dept. of Fish, Wildlife, and Parks (FWP) and the Montana Natural Resource Information System (NRIS) of the MT State Library. In cooperation with the Montana Code Annotated (MCA), which directs the FWP to "... work cooperatively with all state and federal land management agencies, to develop accurate land ownership maps..." in the State.
The public land data from the MT Natural Heritage Program and land ownership data collected. Much of this data was originally digitized by the Bureau of Land Management (BLM) in 1990-1991. Since 1998, the Montana Natural Heritage Program has made numerous updates and corrections (especially for riparian and private lands) were added by the University of Montana, Wildlife Spatial Analysis Unit during 1998-1999. Since 1998, the Montana Natural Heritage Program has made numerous updates and corrections (especially for state trust lands, riparian lands, wildlife & Parks areas, US Fish & Wildlife Service areas, and conservation easements). These data are based on data supplied by the various public agencies and land trusts, and have not been verified against county or Montana Department of Revenue records.

The private land data were developed for the Montana Cadastre Database Project. These data are provided through cooperation with the Montana Department of Administration (DOA), the Montana Department of Revenue (DOR), other state agencies, local governments, UED BLM and private entities. Land parcels on this map represent single ownership of contiguous parcels that are at least 40 acres in size. The DOA maintains the GIS cadastre layer and the DOR maintains the private ownership information.
The base scale for the public ownership data is 1:100,000, though many of the recent data incorporate data digitized from 1:24,000 scale maps or survey data. Private ownership data is accurate to a scale of 1:24,000 or smaller.
Map produced August 2009 with ownership data current as of June 3, 2009.

USGS 100,000 Scale Quadrangle Index
