The intention being the display of land status information.

Created for use at 1:100,000 scale.

Ownership - stewardship is a dataset initially created by University of Montana during the GAP analysis project. Currently maintained and updated by the Montana Natural Heritage Program, at the Montana State Library. The intention being the display of land status information on a statewide basis, not specific parcel ownership. Created for use at 1:100,000 scale.
